

Taste of the River presented by Monte Rio Recreation & Park District

Monte Rio Tasting Group

SECOND SERIES

The **Monte Rio Tasting Group** has been created to provide the opportunity for everyone to learn about the world of wine. From industry professional to the beginner, everyone will have the opportunity to learn about wine production, enjoy discussions, hone their palate, and taste a lot of really great wine.

This **Tasting Group** is open to anyone with an interest in wine.

All series sessions will take place on the 2nd Monday of each month.

*The second series
schedule follows:*

June 8th: Bubbles, Bubbles & More Bubbles

July 20th: Pinots From Around the World

August 17: Syrah, Shiraz

Time:

6:30 to 8 PM

Register Early!

Fees: \$69 for the series *Group is limited – only 20 people per session*

Mat and Barb Gustafson (*he's a winemaker and she's a sommelier*) will lead this new series for and about wine. Between them, Mat and Barb have more than fifty years of experience in the world of wine. Both are immersed in the industry that surrounds our beautiful Russian River area and offer valuable information to those interested in knowing more about wine. Their style is easy-going, so don't worry about a haughty experience, these folks are a comfortable blend of the river bohemian and the worldly wine and food professional. It will be a guaranteed good time. *The Gustafsons are proprietors of Paul Mathew Vineyards; www.paulmathewvineyards.com.*

A third and fourth series are also planned. We'd love to see this as an on-going activity. Students will have an opportunity to discuss what they would like to learn about in upcoming sessions. The subject of wine is one that requires a lot of questions and a whole lot of tasting. So be prepared to ask and taste your way to knowledge!
